### Quality Assurance

Quality assurance is central to our franchise model. The franchisor provides:

Curriculum Oversight: All teaching materials are developed, reviewed, and updated by IFG.

**Training & Support:** Franchisees and their teaching staff receive comprehensive induction training and ongoing professional development.

**Monitoring & Evaluation:** Regular audits, feedback reviews, and teaching observations are conducted to maintain consistency and excellence across all franchise locations.

**Feedback Systems:** Students and parents are encouraged to share feedback, which is used to continuously improve the programme.

## Student Protection

We are committed to safeguarding the interests of all learners enrolled through our franchise network. Our policies include:

**Safeguarding and Child Protection:** All staff undergo background checks and follow strict safeguarding protocols.

**Data Protection:** Student records and personal information are handled in compliance with [local data protection law, e.g., GDPR].

**Fair Refund and Complaints Policy:** Clear procedures are in place to ensure students and parents are treated fairly in the event of disputes or withdrawal.

**Continuity of Learning:** In the unlikely event of disruption at a franchise centre, IFG ensures alternative arrangements to minimise impact on learners.

## Progression Pathways

IFG has approved progression pathway agreements with multiple UK Universities, UK and International Medical Schools, Australian Universities and UK Universities in UAE.

The progression pathway agreements are owned and managed by IFG, and the franchisee students can access progression through IFG
