# Overview

This Foundation in Social Sciences programme is specifically designed for international students who have completed high school and wish to progress to social science-related undergraduate courses—including law, politics, economics, and beyond—in English-speaking countries.

Delivered by experienced academic and professional educators, the programme combines rigorous theoretical study with practical development. Students develop critical thinking, analytical writing, and communication skills necessary for successful undergraduate study.

Successful completion offers a pathway to an extensive range of career-enhancing undergraduate programmes at leading universities in the UK and Australia.

While studying at veritas pathways you will receive one-to-one advice to help you decide on the best university and undergraduate course options plus veritas Pathways will guide you through your application.

## Why You Should Choose the University Foundation Programme in Social Sciences

If you're aiming for a career in law, politics, international relations, psychology, sociology, economics, or other social sciences, this programme equips ambitious international students with the knowledge, skills, and preparation to excel at top universities in the UK, Australia, and other English-speaking countries.

Here's why it stands out:

### ✓ **Direct Pathway to Social Science Degrees**

Endorsed by ATHE (an Ofqual-authorized awarding body), this qualification is widely recognized by universities and offers progression routes to a broad range of undergraduate programmes.

### ✓ **Academic Skills for Success**

Build a strong foundation in research, academic writing, analysis, and critical thinking — essential for any social science discipline.

### ✓ **Real-World Relevance**

Engage with contemporary global issues, debates, and case studies, preparing you to apply theory to real-life contexts in law, politics, economics, and beyond.

### ✓ **Personalised University Guidance**

Receive one-to-one advice on university choices, course selection, and application support, ensuring you secure the right place for your ambitions.

### ✓ **Preparation for University Life**

Develop the independence, confidence, and communication skills needed to succeed in a new academic and cultural environment.

This isn't just a foundation course — it's the bridge between your potential and a rewarding career in the social sciences.

## What will you study?

## Information for parents:

### Supporting Your Child's Journey to International Higher Education:

Sending your child abroad to study is both an exciting opportunity and a significant commitment. At Veritas Pathways, we work closely with families to ensure a smooth, safe, and rewarding experience for students aged 18 and above who are embarking on their academic journey in the UK.

### Parents' Quick Checklist

Before your child begins their Foundation Course in the UK, make sure you have covered these key steps:

#### 1. Academic Readiness

- ✓ Confirm your child meets the entry requirements (grades, subjects, English level).
- ✓ Arrange for official transcripts and academic certificates to be sent.

#### 2. Application & Visa

- ✓ Complete the online application via [www.veritaspathways.co.uk](http://www.veritaspathways.co.uk).
- ✓ Gather necessary documents for the student visa (CAS letter, financial proof, passport).
- ✓ Submit the visa application well before the course start date.

#### 3. Accommodation

- ✓ Book safe, secure housing close to the study centre.
- ✓ Review tenancy agreements and understand payment schedules.

#### 4. Health & Insurance

- ✓ Arrange UK health insurance or ensure NHS coverage eligibility.
- ✓ Provide your child with any necessary medical records and prescriptions.

#### 5. Travel Preparation

- ✓ Book flights to arrive in the UK before orientation week.
- ✓ Arrange airport pickup or confirm transport to accommodation.

#### 6. Finances

- ✓ Open or prepare to open a UK bank account for your child.
- ✓ Provide funds for tuition fees, living costs, and emergencies.

#### 7. Staying Connected

- ✓ Ensure your child has a UK-compatible phone and SIM.
- ✓ Set a regular schedule for video calls or messages.
